

## VISIONS OF BOSCH

**Jheronimus Bosch** poked fun with reality by distorting the visual world. His work is known for its use of fantastic imagery to illustrate moral and religious concepts. He mixed the image of the human body with parts of animals and added strange objects to it. He created all kinds of devils and monsters, vicious and good-natured. He used subjects about fear, horror, sin, adversity and tribulation.

### Mail art call

## CAN YOU CHANGE REALITY LIKE BOSCH DID?

Please relate your contribution to one of the works of Bosch.

Free size. Free medium. No returns. No fees.

Deadline 31.08.2013

Exhibition in **Jheronimus Bosch Art Center** - 's-Hertogenbosch NL - Nov. / Dec. 2013
