## VOORWOORD

Het Jheronimus Bosch Art Center heeft met veel genoegen en met gepaste trots en in nauwe samenwerking met The Museum of Instant Images de expositie "LADY MADONNA" ingericht in de torenkamers van het Art Center. Naast de tentoonstelling met de vaste collectie reproducties van alle werken van Jheronimus Bosch krijgt de bezoeker prachtige mail art te zien die is ontstaan vanuit het thema De moderne Madonna, de vrouw met wel duizend namen. Dit thema is met duizenden voorstellingen een van de meest verbeeldde onderwerpen van de kunstgeschiedenis. Een uitdagend onderwerp dat talloze mail art kunstenaars inspireerde er daar nog een paar honderd aan toe te voegen. Het resultaat is opmerkelijk: binnen de beperkingen die een fysiek poststuk met zich meebrengt, is er een duizelingwekkende verscheidenheid in de kunstwerken te zien. Talloze Madonna's en madonna's en allemaal anders. Heel veel Bosschiaanse collages van onverwachte elementen, tekeningen en werken in veel meer verschillende technieken. In deze overweldigende beeldenvloed zullen de toeschouwers geneigd zijn om op zoek te gaan naar het werk dat hen door vorm, kleur en beeldtaal het meest aanspreekt.

Namens The Museum of Instant Images én het Jheronimus Bosch Art Center wens ik de bezoekers van deze mail art expositie veel kijk- en keuzegenoege toe.

J. Timmermans, voorzitter Stichting Jheronimus Bosch Centrum

## Preface

*view from the tower*

The Jheronimus Bosch Art Center, in close collaboration with The Museum of Instant Images, takes great pleasure and pride in presenting the exhibition "LADY MADONNA" which is arranged in the gallery rooms inside the tower of the Art Center. Besides the permanent collection of reproductions of all the works of Jheronimus Bosch in the Center, the visitor can enjoy also wonderful mail art inspired by the theme The modern Madonna, the woman with one thousand names and with thousands of artworks one of the most imagined subjects in art history. A challenging subject that inspired countless mail art artists to add a few hundred more. The outcome is remarkable: regardless of the limitations that a physical mail piece entails, the result is a dizzying gallimaufry. Numerous Madonnas and madonnas and all different. Lots of Bosch-like collages of unexpected elements, drawings and more different techniques. In this overwhelming flood of images, visitors will be inclined to look for the most appealing work because of its shape, color or imagery.

On behalf of The Museum of Instant Images and the Jheronimus Bosch Art Center, I wish the visitors of this mail art exhibition plenty of viewing and choosing pleasure.

## EXPOSITIE VASTE COLLECTIE REPRODUCTIES

De vaste collectie van het Jheronimus Bosch Art Center is in de aula van het Jheronimus Bosch Art Center te zien. Hier hangen panelen in hoogwaardige reproducties op ware grootte afdrukt en prachtig ingelijst van alle werken van de laatmiddeleeuwse schilder Jheronimus Bosch. De bezoekers maken hier kennis met de wereld van Bosch: indrukwekkende panelen met visionaire voorstellingen in een raadselachtige beeldtaal. Bijzondere sculpturen als driedimensionale objecten hangen in de overweldigende ruimte van de voormalige kerk waarin het Art Center is gevestigd. Kortom: in het Jheronimus Bosch Art Center is de wereld van Bosch intens te beleven.

Het Jheronimus Bosch Art Center is hét kenniscentrum dat alle informatie over de beroemde Bossche schilder verzamelt en toegankelijk maakt voor het grote publiek. Vanaf 2001 vindt hier om de vijf jaar een internationaal congres plaats waar alle wetenschappers die zich met het werk en leven van Jheronimus Bosch bezighouden, bijeenkomen om elkaar op de hoogte te brengen van de laatste ontwikkelingen en nieuwe inzichten. In 2016, het jaar dat herdacht werd dat

Jheronimus Bosch 500 jaar geleden is overleden, vond er weer een groot congres plaats. De resultaten van een diepgaand onderzoek naar alle werken van Bosch is door een groep deskundigen hier bekend gemaakt onder de naam The Bosch Research and Conservation Project.

## MAIL ART-EXPOSITIE LADY MADONNA

Van 13 mei 2018 tot 6 januari 2019.

De titel doet denken aan een liedje van de Beatles uit 1968, nu nog griezelig actueel. Er wordt een ode gebracht aan een alleenstaande vrouw die het presteert de eindjes aan elkaar te knopen om haar gezin te kunnen verzorgen. Een sterke hedendaagse vrouw, een moderne madonna, een power woman.

In 's-Hertogenbosch in de prachtige gotische kathedraal eeuw wordt sinds de 14e eeuw een Madonnabeeld gekoesterd. De Illustre Lieve Vrouwe Broederschap, ook bekend als De Zwanenbroeders, bewaakt haar traditie en viert zijn 700e verjaardag in 2018. Een van de meest bekende leden van deze broederschap was indertijd Jheronimus Bosch. Ter gelegenheid van dit eeuwfeest hebben we kunstenaars uitgenodigd om een hedendaagse verbeelding van de Maria-figuur te maken, tegenwoordig getransformeerd in een sterke, hiëratische en empathische moderne vrouw. Van Madonna naar madonna.

In de toren van het Jheronimus Bosch Art Center is er een kunstgalerij van vier verdiepingen die gevuld is metvullen met glorieuze, glanzende en prachtige Madonna-afbeeldingen

Mail Art is letterlijk 'Post Kunst' en is een interactieve kunstuiling waarbij kunstenaars reageren op een concept geboren uit het brein van een initiator, in dit geval Toon Joosen - artiestennaam Mr. Colori.

Een Mail Art-proces begint met een call, een uitnodiging per brief, waarin kunstenaars wereldwijd uitgenodigd worden te reageren. De kunstenaars hebben we verzocht een kunstwerk te maken dat in een envelop past, gebaseerd op het aangereikt thema, en dit vervolgens retour te sturen aan de initiator. De kunstenaars mogen natuurlijk in alle vrijheid reageren. Deze mail art-kunstenaars staan met elkaar in contact via de traditionele postbestelling en zij organiseren allerlei projecten en exposities buiten de gevestigde musea om. Er wordt ook niets gekocht of verkocht. Het werk wordt opgeslagen in een archief.

Op deze manier ontstaat er een uniek sociaal kunstnetwerk. Regels zijn er niet voor de mail art, alleen ongeschreven afspraken om mee te kunnen blijven doen en om het contact niet te verliezen. Zo is er inmiddels wereldwijd een netwerk ontstaan waar met woord en beeld talloze kunstenaars communiceren zonder elkaar persoonlijk te kennen.

Door het moderne e-mail verkeer, heeft mail art een hedendaagse update gekregen en we zien een geweldige toekomst voor dit kunstgenre op het digitale vlak, maar dat betekent tevens dat we juist de oorspronkelijke Post Kunst moeten koesteren: Mail Art, zoals het ooit begonnen is in de jaren zeventig, moet blijven bestaan. Papier, postzegels en de postbode.

The Museum of Instant Images, het mail art-archief van Mr. Colori uit Chaam, organiseert regelmatig mail art-exposities en werkt nu voor de derde keer samen met het Jheronimus Bosch Art Center.

Er zijn 350 uitnodigingen gestuurd naar kunstenaars uit vele landen van de wereld en er zijn meer dan 400 bijdragen teruggestuurd uit 45 landen. In deze catalogus ziet u alle werken die zijn opgestuurd. Er zitten zeer fraaie exemplaren bij - collage, getekend, in zeeefdruk, in foto's - en ook qua grootte is de expositie zeer gevarieerd. Zelfs enveloppen zijn echte kunstwerkjes geworden, waardig om geëxposeerd te worden.

Deze catalogus toont hoe divers de reacties zijn van de kunstenaars en hoe zij zich, tevens in hun relatie tot de Madonnaverbeelding, op een bijzonder pad hebben begeven.

MAIL ART PROJECT

## The invitation

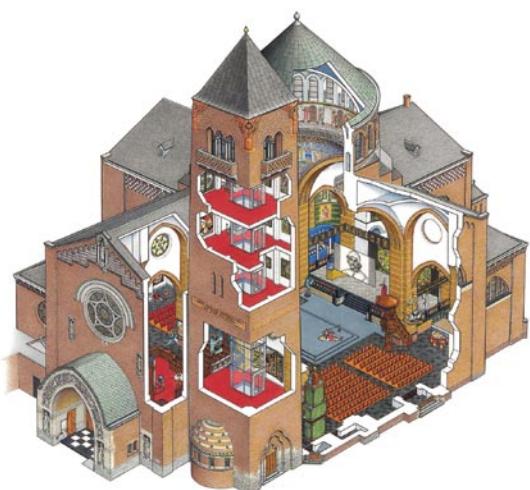

LADY MADONNA

### The woman with one thousand names MAIL ART CALL 2018 on The Madonna

Each civilisation, country or religion honours its own female symbol of the matriarch. So will yours. In Christianity, the Madonna is Mary, also known as the Mother of Jesus, The Holy Virgin, Mediatrix, Stella Maris, etc. One thousand names, one thousand symbols, and thousands of works of art since the Middle Ages. From Giotto to contemporary celebrities, she has been indelibly present. And so it will always be.

In 's-Hertogenbosch in the magnificent Gothic cathedral, a statue of the Illustrious Lady has been cherished since the 14th century. The Illustrious Brotherhood of Our Blessed Lady preserves the legacy and celebrates its 700th anniversary in 2018. One of the most well-known members of the confraternity was Jheronimus Bosch, the world famous painter.

On the occasion of this centenary, we want you to make a contemporary representation of the Mary figure, nowadays increasingly transformed into a strong, hieratic and empathic modern woman. In the tower of the Jheronimus Bosch Art Center (image left), there is a five-storey-high art gallery that we want to fill with glorious, shining and splendid Madonna figures. Think of women in beautiful clothes in their colorific splendour, surrounded with flowers, crowned and provided with attributes, or plain and simple, adapted to your own style and (art) tradition.

### Virginita

The Museum of Instant Images - Mr. Colori - NL

cat.nr.3400 d.d.15.01.18

Psychecolorogy nr. 189 / electronic

**Mr. Colori / C. Gijsen / E. Honders** - Netherlands

### Virginita

Waarom wilde iedereen u altijd afbeelden?

Geen verliefde schilder, houwer, etser of dichter

- Woorden mislukte schetsen - verzaakte, doch deelde

In de iconografie van de maagd; en lichter

Hun gemoed na het ereportret of de lofzang

De gevangen eenhoorn op uw schoot, mak en getemd,

Is de kunstenaar, die alleen voor u, blij en bang,

Zijn trots aflegt en zijn lied op u alleen afstemt

Het moet u hebben verveeld, de koe die steeds maar loeit,

Het is een vergulde kooi, die beate aandacht

Uw vergelding is de omkering: naar wie u lacht,

Is voortaan nog slechts de eigen beeltenis, u boeit

Alleen nog uw scherm, heeft genoeg aan uw eigen macht

De eenhoorn zakt door de hoeven, verzaligd vermoeid

C. Gijsen

### Virginita

Why have they all always sought to depict your beauty?

No loving painter, sculptor, etcher, or verse writer

- words are but sketches gone wrong - failed to do his duty,

but shared in portraying the virgin, and much lighter

were their hearts after the respectful painting or ode.

The captive unicorn on your lap, meek and subdued,

is the artist who, in a happy and timid mode,

puts aside his pride and tunes his song to only you.

It must have wearied you, the forever lowing cow:

all this enraptured attention is a gilded cage.

Your revenge is reversal: the one you smile at now

will be your own image. There is nothing you engage

in but your display, sufficed by your power come of age.

The unicorn sinks to his knees, blissfully worn-out.
